Quite a Business.

The Star Clothing House seems to be doing quite a business, and they deserve it, as they do a square, honest business and never misrepresent goods, and their advertisements never mislead. They have done quite well with the stock of goods bought of that Chi-cago firm at nearly 50 cents on the dollar, and while their advertisements make people believe they are getting extraordinary good bargains, they are not at all exaggerated. When they say they have got suits for \$2.50 that are worth \$5.00, we know that to be a fact, and also the \$5.00 all wool striped Scotch cassimere suits being worth \$10.00, and their black worsted Prince Albert coats and vests for \$8.00 being General Manager Chapman of the selling suits for \$2.00, silk and wool from \$1.100 s, stating that ten new cars have been sent and that ten more will be sent soon.

Don't Get Imposed Upon-

Is a good motto to follow in buying a medicine as well as in everything else. By the universal satisfaction it has given and by the many remarkable cures it has accomplished. Do not experi-ment with an unheard of or notried article which you are told is as good but be sure and get Dullam's. All druggists keep it.
